The screenshot displays the Postman application interface. On the left sidebar, there's a 'History' tab showing a list of recent requests, including several POST requests to 'localhost:5000/index' and a DELETE request to 'localhost:10000/article'. The main panel is titled 'Untitled Request' and shows a DELETE request to 'localhost:10000/article'. The 'Body' tab is selected, showing a JSON body with an 'id' field set to 2. The status bar at the bottom indicates '405 Method Not Allowed'.
